

In 1969 on Mainstreet USA the Corvette StingRay was the ultimate ride and the Schwinn StingRay was the ultimate ride in the neighborhood. Today StingRays are still wildly popular whether it's the fast 2 seater or the cool 2 wheeler variety.

This 1969 Stik Shift StingRay is a one-owner that was a Christmas gift for American Airlines mechanic Leo Schmitz. Leo's fellow mechanic Duane Friesen has restored this beauty and now you can purchase it in a charity auction held by the American Airlines Bicycle Club.

1969 Schwinn Stik Shift StingRay

All proceeds from this auction go directly to the MS Society

You can purchase this restored classic in an auction that is going on now! All you have to do is send your bid in by email, phone message, or talk to Duane Friesen in person. Give us your name, address, email, phone number, and your bid amount. We will have the current high bid posted on www.snaggedinmyweb.com/AABC so that you can view the up-to-date progress of the auction. You can bid as many times as you like and the auction will continue until there has been no bidding activity for one week. That way you will have plenty of opportunity to increase your bid and take this classic home with you!

Duane will contact the winner of the auction immediately after the auction has closed to arrange the transfer of the bicycle and funds. Payment will be expected within one week of notification of winning the auction. All proceeds will go to the Oklahoma Chapter of the National Multiple Sclerosis Society and payment for this bicycle will be forwarded from us directly to the MS Society.

Contact Duane at planewires@valornet.com or call 250-0645.
